

Remarks/Arguments:

The Reasons for Allowance of claims 1, 8, and 15 that are set out in the Notice of Allowability are direct quotes from portions of claim 1. Claims 8 and 15 define applicants' invention in terms that differ from the terms of claim 1.

The grant of any patent from this application is predicated on the invention being the combination of elements as defined in all of the allowed claims.

Respectfully submitted,

Andrew L. Ney Reg. No. 70,300
